

**GOVERNMENT OF NCT OF DELHI
TRANSPORT DEPARTMENT
5/9, Under Hill Road, Delhi-110054**

**Colour Coding to decide Direction of Movement of
Auto-rickshaws in Evening hours.**

Government of NCT of Delhi has decided to launch a colour coding scheme for auto-rickshaws to decide its direction of movement from any place in Delhi after a specific time in the evening to reduce the cases of refusal, considering the security and availability of means of transport to the commuters while they are returning home after completing their work.

For this purpose, Delhi has been distributed into 6 zones and it is proposed to issue colour code on the basis of the residential address of the permit holder or the driver driving the vehicle so that they can happily go towards their residence in the evening. Zones and colour code are as under:

Zone	Police District	Colour Code
Zone 1	North+Central+New Delhi	Base Red with Zone Name in White
Zone 2	Trans Yamuna	Base Navy Blue with Zone Name in White
Zone 3	South+South East	Base Orange with Zone Name in Black
Zone 4	South West	Base Sky Blue with Zone Name in Black
Zone 5	West	Base Purple with Zone name in White
Zone 6	Outer+North West	Base Silver with Zone Name in Black

It is proposed that the Colour strip in back side of the TSR would be (24" by 6"). The font thickness would be 15mm. The height of the font would be 75".

The colour strip in front of the TSR should be (18" by 6") above the front windscreen. The font thickness would be 15 mm. The height of the font would be 75mm.

Since the scheme will affect all auto-rickshaw drivers and public at large, it was found appropriate to obtain opinion/suggestion from the stakeholders to decide:

1. Daily time by which the colour code shall be compulsorily enforced in the evening.
2. The manner in which colour code should be displayed on TSR
3. Suggestion on colour code.
4. Manner in which the scheme can be successfully operated.
5. Any other suggestion.

The suggestions/opinion may be forwarded within one month i.e. 25.08.2013 on colourcode.tsr.delhi@gmail.com . Detailed guidelines shall be prepared after getting the feedback from the stake-holders.
