

INVITING APPLICATIONS TO OPERATE PRIVATE STAGE CARRIAGE BUSES ON THE STRENGTH OF TEMPORARY PERMITS ON DIFFERENT ROUTES ON TEMPORARY BASIS IN LIEU OF VACANCIES CREATED DUE TO CANCELLATION/SUSPENSION OF PRIVATE STAGE CARRIAGE (BLUE LINE) BUSES

BACKGROUND

1. The bus transport system of Delhi is an admixture of public and private buses. At present DTC (a State Transport Undertaking), the public operator is operating 3100 buses and its fleet will be augmented to 6000 by 2009. Individual private operators are also plying approximately 3600 buses to meet the bus transport demand of Delhi. In addition to this, 1400 mini/RTV buses are also operating as Stage Carriages. The existing private bus operation has not been able to operate strictly in compliance with the stipulated permit conditions and courts order from time to time. Recent spate of accidents has invited considerable public concern and criticism over the manner, this service is generally operating. The Government of National Capital Territory of Delhi after very carefully examining the reasons for this has come to the conclusion that the operation of the buses through individual permits/operators is not congenial for maintaining an efficient, reliable and safe bus service.

2. Therefore, the Government of National Capital Territory of Delhi has decided to enlarge the scope of private sector in existing public transport system to provide safe, secure, efficient, reliable, better quality, compliant with provisions of Motor Vehicles Act, 1988 and directions of Court of Law and properly coordinated public transport system through efficient management to the commuters and in the interest of road users of Delhi. With this objective Government of National Capital Territory of Delhi has decided to introduce a scheme for augmenting the bus fleet with private sector participation through company, co-operative societies including those formed by the existing/prospective individual operators duly registered, and having capacity of operating 200 buses approximately. Accordingly bulk permits shall be granted to operate an identified route. The overall fleet strength of private buses and DTC's fleet will be restricted in the proportion of 40:60. Existing private stage carriage buses shall be phased out gradually in such a manner so as to synchronize with the induction of fleet of buses by big fleet owners/operators. Necessary steps in this regard have already been initiated by State Transport Authority, Delhi. Government has also intensified the enforcement drive in order to discipline the blue line buses.

3. In compliance with the mandates of the Government of NCT of Delhi, the State Transport Authority, Delhi resolved vide resolution of July 10, 2007 as under:

- (i) Existing private stage carriage (blue line) buses operated by individual permit holders shall be phased out gradually in such a manner as to

synchronize with the induction of the fleet of buses to be operated by companies.

- (ii) To introduce a scheme for augmenting the bus fleet with private sector participation through companies including those formed by the existing/prospective individual operators having capacity to operate at least 100 buses.

4. The above directions of the Government and above mentioned resolution adopted on July 10, 2007 by State Transport Authority, Delhi was communicated in writing to all the private stage carriage (blue line) bus operators and is being implemented by the State Transport Authority accordingly. A copy of the said order is annexed herein under as **Annexure-1** for taking the note of the prevailing circumstances in which the existing private stage carriage buses are operating and the reasons and the manners in which Government and State Transport Authority ultimately discontinuing from the existing system.

5. The Transport Department also entrusted the task of providing the required consultancy for formulating a detailed scheme, preparation of bid document and bid evaluation to DIMTS. As per directions of Hon'ble Delhi High Court a scheme for induction of private stage carriage buses through Corporate/Cooperative entities to replace the existing blue line buses run by the individual operators, has already been submitted in the Hon'ble Court on November 15, 2007, which is under consideration of the Hon'ble Court. After preparation of bid documents etc., the scheme is proposed to be notified by March 1, 2008 for inviting bids from the prospective corporate/companies etc. The phasing out of the blue line buses and induction of the buses through corporate/companies will be synchronized and thus the bulk of existing blue line buses run by individual permit holders is proposed to be phased out by June 30, 2009.

6. As part of this exercise, it has also been decided that the identified 657 routes, including 311 routes on which stage carriage buses are not operating, will be bunched into clusters of routes. To minimize competition on roads, each cluster of routes will be serviced by a single private operator and DTC. Now, Delhi Integrated Multi-Modal Transit System (DIMTS), which has been entrusted with the above task, has proposed to cluster all the above routes into 17 distinct clusters inter-alia keeping in view the route contiguity, commonality of operations and need to minimize competition on the roads. Details of 17 route clusters as formulated by DIMTS along with route numbers, the description of routes including via/fare stages and number of buses of DTC and single private entity on each cluster were published by STA in the edition of December 16, 2007 of The Hindustan Times and Nav Bharat Times and also uploaded in the website of DIMTS website: www.dimts.gov.in. (At URL No. http://www.dimts.gov.in/Transport_AD.pdf). Interested individuals/companies/general public etc. have been requested to offer their opinions, suggestions/recommendations in respect of these route clusters to Managing Director & CEO, DIMTS, First Floor, Maharana Pratap ISBT, Kashmere Gate, Delhi – 110006 (Telephone No.23860968, 23860971 Fax No. 23860966, E-mail:md@ dimts. gov.in) by December 31, 2007.

7. A Division Bench of Hon'ble High Court comprising of Justice Mukul Mudgal and Justice Reva Khetarpal took the cognizance of the recent spate of fatal accidents caused/made by the private stage carriage blue line buses in the matter of Court on its own Motion (Criminal Writ Petition No. 878 of 2007) on July 10, 2007 and sought various clarifications with regards to implementation of Hon'ble Supreme Court order (M C Mehta versus Union of India & Ors., CWP No. 13029/1985) and other related matters which have direct bearing on the operation of blue line buses.

8. The matter was heard by the Hon' Court thereafter on July31, 2007, August 23, 2007, September 10, 2007, October 3, 8, 11 & 19, 2007, November 1, 19 & 30, 2007 and December 14, 2007. The matter is now listed for January 10, 2008. In these hearings several directions were issued to the authorities with regard to safety of commuters and road-users. The Hon' Court is inter-alia monitoring the phasing out of individual blue line bus operators by the buses of corporate sectors and augmentations of public transport (stage carriage buses) in accordance with the directions of Hon' Supreme Court of India.

9. As per directions of Hon'ble Delhi High Court a scheme for induction of private stage carriage buses through corporate/Cooperative entities to replace the existing blue line buses run by the individual operators, has already been submitted in the Hon'ble Court on November 15, 2007, which is under consideration of the Hon'ble Court. After preparation of bid documents etc., the scheme is proposed to be notified by March 1, 2008 for inviting bids from the prospective corporate/companies etc. The phasing out of the blue line buses and induction of the buses through corporate/companies will be synchronized and thus the bulk of existing blue line buses run by individual permit holders is proposed to be phased out by June 30, 2009.

10. Meanwhile, State Transport Authority has taken deterrent steps and cancelled about 200 private stage carriage (blue line) bus permits on various routes. Delhi Traffic Police and Enforcement Wing of Transport Department had also intensified the enforcement activities and the permit of private stage carriage (blue line) buses are being suspended for different period or the buses are impounded for various duration depending upon the nature of violation committed by the vehicle covered by the permit. Hon'ble Delhi High Court vide its order of October 11, 2007 in the pending Criminal Writ Petition No.878 of 2007 in the matter of Court on its own Motion has directed that whenever a private stage carriage (blue line) bus is involved in any accident involving a fatality or grievous injury, the release of the vehicle even after the order of Metropolitan Magistrate, shall only be with permission of Delhi High Court. After taking into account the nature of the recklessness leading to the accident, the Court may consider imposing the condition of monetary deposit to compensate the victim before the vehicle is ordered to be released by Hon'ble Delhi High Court. Hon'ble Delhi High Court in the aforesaid pending Criminal Writ Petition vide its order of November 1, 2007 inter-alia directed "Government of NCT of Delhi to replace the impounded vehicles with the substitute transport vehicles. Since the DTC has expressed its helplessness, the learned Amicus Curiae is directed to ascertain the other sources for alternative fleet for replacing the impounded vehicles. The learned Amicus Curiae is also directed to make efforts to

meet with the directions of the Hon'ble Supreme Court to run 10,000 vehicles on road by 2001 is met by other sources, as it is not possible for the DTC and Delhi Administration at present to achieve that figure”.

11. In the aforesaid background, the learned Amicus Curiae (appointed by the Hon'ble Delhi High Court in the pending Criminal Writ Petition No.878 of 2007 in the matter of Court on its own Motion) during the hearing of the matter in Hon'ble Delhi High Court on November 30, 2007 inter-alia informed the Hon'ble Court that private parties are willing to put the stage carriage buses wherever the permit of private stage carriage buses have been cancelled by STA or where the vehicles has been impounded or due to suspension of the permit for different period.

12. In view of the above, the State Transport Authority, Government of NCT of Delhi has decided to invite applications for grant of temporary stage carriage permits under section 87(1)(c) of the Motor Vehicles Act, 1988 to operate the full size stage carriage CNG buses in Delhi on different routes, purely on temporary basis, on the slots vacated due to cancellation of existing private stage carriage (blue line) bus permits and/or due to temporary suspension of private stage carriage (blue-line) bus permits by the STA on different routes for different period ranging from one week to four weeks generally. These temporary permits shall be granted broadly on the following conditions and subject to fulfillment of other conditions stipulated in various paras of this document.

- (i) Temporary stage carriage permits shall be granted for a period not more than four months at a stretch subject to fulfillment of the existing permit conditions of stage carriage permit in respect of vehicle, crew and associated conduct on their part.
- (ii) Full size bus having two by two sitting pattern, CNG propelled and not more than nine years old buses as on February 1, 2008 can be substituted on those routes from where the permit either have been cancelled by the STA or suspended for different periods or the vehicle was impounded by Delhi Police on account of fatal or grievous accidents and not yet released by the Division Bench of Hon'ble Delhi High Court dealing with the aforesaid pending criminal writ petition. However, these buses can only operate as stage carriages on the strength of temporary permits till the currency of temporary permits or the buses attain the age of 10 years from the date of first/initial registration, whichever is earlier.
- (iii) As and when the aforesaid new scheme of Government of NCT of Delhi to replace the existing private stage carriage (blue line) buses is implemented through a transparent bidding process, the temporary permits so issued shall be discontinued forthwith depending upon the prevailing circumstances and requirement at that time notwithstanding that the permit is still valid. In case, any permit of stage carriage bus for a particular route, which has been cancelled by the STA, Delhi is restored by any Court of Law, the temporary

permits, if any, granted on that particular route by STA under this scheme shall be withdrawn forthwith notwithstanding the fact that permit is still valid.

- (iv) The grant of proposed temporary stage carriage permits will not confer any right in the operator or the vehicle for any preference and/or claim for grant of permit in the new scheme intended for corporate sector or any other scheme existing or to be introduced by the STA/Government of NCT of Delhi, in future.
- (v) A copy of the existing permit condition for stage carriage bus is annexed herein under as **Annexure-2** for the information of the interested parties who are willing to apply for the grant of said temporary permits.
- (vi) The grant of temporary stage carriage permits shall also depend upon the eligibility criteria mentioned in the foregoing paras and as given herein under.

ELIGIBILITY CRITERIA

13. Bus operators falling in the following categories are eligible to apply:-

- (i) Those who are already operating CNG buses on any permit granted by STA, Delhi or STA/RTA of NCR State but not on stage carriage permits granted by STA, Delhi.
- (ii) Those who, at present, have no buses in possession/registered in their names, but intend to bring already registered CNG buses within 30 days from the date of issue of Letter of Intent (LOI) by State Transport Authority. New CNG propelled buses to be purchased only for the allotment of temporary stage carriage permits on terms and conditions stipulated in this document shall not be considered at all for grant of temporary permits on any vacant stage carriage routes. In nutshell, STA does not want any new investment in the form of purchasing new CNG bus to operate under stage carriage, since a complete revamp of the existing stage carriage operation through the buses of corporate sector, as directed by the Government of NCT of Delhi is underway.
- (iii) The entity whose permit has been cancelled by State Transport Authority, Government of NCT of Delhi in compliance of the order of Hon'ble Supreme Court of India and Delhi High Court for defective tampering with speed control devices and/or for over-speeding or any other violations shall not be considered for grant of temporary stage carriage permits on any routes under the terms and conditions specified in this document.
- (iv) The buses involved in fatal accidents of which the permits has been cancelled by State Transport Authority, Government of NCT of Delhi in compliance of the

order of Hon'ble Supreme Court of India and Delhi High Court shall not be considered for grant of any temporary stage carriage permits on any routes on the terms and conditions specified in this document.

- (v) The buses involved in fatal accident and proceedings in respect thereof are pending in any Court.
- (vi) The applicant should not have been convicted by any Criminal Court.

TYPE, NUMBER OF PERMITS AND ROUTES

14. Applications for grant of temporary stage carriage permits under Section 87(1)(c) of the Motor Vehicles Act, 1988 are invited on the temporary vacancies arisen due to impounding of buses by the Enforcement agencies, or cancellation/suspension of stage carriage permits by STA on various routes in the existing operation of private stage carriage blue line buses. The route number, origination and destination points, via, and number of temporary vacancies as existing at present are given in the **Annexure-3**, annexed herein under. The routes under the scheme are spread all over Delhi as annexed. The routes of the buses/operators who are granted temporary permits will be subject to change without consultation with permit-holder by the Secretary, STA depending upon the availability of slots vacated due to suspension/cancellation of permits or impounding of the buses for various periods and Delhi in accordance with the requirements of the commuters, traffic conditions and other factors considered relevant.

PROCEDURE AND ALLOTMENT OF PERMITS

15. Procedure and allotment of permits shall be as under:-

- (i) Permits will be granted by a draw of lots when the number of eligible applicants exceeds the number of permits to be granted on each route. There is no restriction on the number of routes/permits for which an applicant may apply, but only one application will be allowed against each already registered CNG bus.
- (ii) Each applicant will be allowed to give five options for different routes restricting one option to one route. The first option will be considered/ drawn first. There will be a separate draw for each route and a waiting list of sufficient number would also be drawn up.
- (iii) Successful applicants within a time period of 30 days from the date of the issue of letter of intent will have to produce already registered CNG full size bus. This time limit will not be extended. In case of failure to produce the bus, permit would be offered to the persons next in the waiting list.
- (iii) The STA, Delhi reserves the right to change the procedure and adopt any procedure for grant of permits as it deems fit.
- (iv) The incomplete applications will be summarily rejected.

SUBMISSION OF APPLICATIONS

(16) In addition to the other conditions stipulated in this document, the applications from the interested entities shall be scrutinized on the basis of the following parameters.

- (i) The application shall be made in the prescribed format annexed herein under as **Annexure-4**.
- (ii) The applicant should be a resident of Delhi and must not be a minor.
- (iii) Any application found not duly filled or incomplete in any respect as prescribed shall be liable to be rejected summarily by the Secretary, STA, Delhi.
- (iv) A statement to the effect on Non-Judicial Stamp Paper of Rs.10/- that the "information or document furnished by the applicant(s) in the application are true and correct and nothing is concealed there from".
- (v) In case any statement or information or fact or document furnished in along with the application is detected during scrutiny to be materially wrong or false or concealed, the application shall be liable to be rejected summarily by the Chairperson, State Transport Authority, Delhi and the applicant(s) shall be liable for prosecution under the relevant law for the said act(s); and
- (vi) In case any statement or information or fact or document furnished in the application is found to be materially wrong or false or concealed subsequently after grant of permit, the permit so granted shall be liable to be cancelled summarily by the Chairperson, State Transport Authority, Delhi and the applicant(s) shall be liable for prosecution under the relevant law for the said act(s).

LAST DATE OF SUBMISSION OF APPLICATIONS

17. The prescribed application form duly filled in will be received during the working hours on all working days and up to 03.00 P.M. on February 08, 2008 in the office of Assistant Secretary (STA), State Transport Authority, 5/9, Under Hill Road, Delhi – 110054 along with relevant documents.

SECURITY DEPOSIT

18. To ensure the seriousness on part of the applicant, the application shall be considered only with security deposit and their refund on the following conditions:-

- (I) Each application shall be accompanied by a crossed Bank Draft of Rs. Rs.20,000/-, as security deposit drawn in favour of **Secretary, State Transport Authority, Delhi**.

- (ii) The Bank Draft of only those applicants who are not selected for grant of temporary permits will be returned 30 days after the date of grant of such permits.
- (iii) The security deposited in the form of Bank Draft in respect of applicants who are to be granted permits will be refunded only at the time of permanent surrender of permit to STA. In case the specified vehicle is not produced within the stipulated period the security amount shall be forfeited and the decision of the Secretary, STA, Delhi in this regard shall be final and binding.

FINANCIAL ELIGIBILITY FOR GRANT OF PERMIT

(19) All applicants will submit along with the duly completed application form, the following:

- (i) A Demand Draft of Rs.20,000/- in the name of **Secretary, STA, Delhi.**
- (ii) The applicant should be an Income-tax payer and shall submit copies of returns for the last two financial years (2006-2007 & 2007-2008) filed in Income Tax Department.

PROCESSING FEE

(20) A process fee of Rs.2,000/- shall be charged from all successful applicants.

FARE STRUCTURE

(21) The fare structure of the proposed stage carriage will be as follows:-

| <u>Distance</u> | <u>Fare</u> |
|------------------------------------|--------------------|
| Upto 4 kilometers | Rs.3.00 |
| From 4 to 8 kilometers | Rs.5.00 |
| From 8 to 12 kilometers | Rs.7.00 |
| From 12 to 16 kilometers and above | Rs.10.00 |

- (i) In case of private stage carriages, the above fares will be chargeable subject to the following conditions:
 - (a) Payment of Composite Fee @ Rs.2,500/- per month/per bus to DTC for use of passenger facilities.
 - (b) Honouring the concessional passes issued by Delhi Transport Corporation to disabled persons, freedom fighters, war-widows and their dependents.

TIME SCHEDULE

The time schedule for each route will be determined by the STA, Delhi on the basis of requirements of commuters and traffic conditions. The operators shall be required to adhere strictly to given time schedule and the prescribed number of trips. The time schedule and number of trips of Private Buses and DTC Buses on each route will be monitored and supervised by the STA/DTC.

**GOVERNMENT OF NATIONAL CAPITAL TERRITORY OF DELHI
STATE TRANSPORT AUTHORITY
TRANSPORT DEPARTMENT
5/9, UNDER HILL ROAD, DELHI – 110054.**

ORDER

Whereas, State Transport Authority(STA), Government of National Capital Territory of Delhi had granted stage-carriage permits through various schemes under section 48 of the Motor Vehicle Act, 1939(now repealed) before the year 1988 and under section 72 of the Motor Vehicle Act, 1988 after the year 1988 to private operators initially for a period of five years with prior acceptance of the condition by the permit holders that further renewal of their permits would be subject to the satisfactory performance of the permit holders, as per conditions laid down and the desirability of scheme in the general public interest and any other condition prescribed by the STA Delhi;

Whereas, subsequently all the above said schemes stand amalgamated and all the Stage Carriages buses are governed by the same permit conditions and a uniform fare structure;

Whereas, most of the private stage-carriage operators are individuals and profit are their sole motive and, therefore, many routes are lying vacant leaving many areas without a public transport service other than DTC;

Whereas, the sole objective of profit making of individual private operators has led to hordes of problem like rash driving, frequent tampering of speed governors, over speeding, over taking, unscheduled stoppages and waiting at bus stops to get more passengers, ill maintained buses, rude behavior of crew, dirty buses, presence of bad elements with crew on the bus, over charging, installation and continuous blowing of pressure horns, beating the sides of the buses and shouting by conductors to attract commuters, non-adherence to the fixed working hours (eight hours), curtailment of routes at the will of crew to avoid rural or low catchments area, over crowding of buses, non-adherence to statutory employment / labour and motor transport worker's act, employment of unqualified staff, and unsafe operation, etc.;

Whereas, the public perception of aforesaid violations is the employment of crew on "theka" system by many permit holders. In this system, the driver or the conductor of the bus is the "Thekedar" who pays the permit holder a fixed sum of money per day, and could retain any amount beyond that for him to earn maximum profit. Since the

person (driver or conductor) operating bus on 'Theka' is not liable/answerable to any one except permit holder, he grossly indulges in the most unruly behavior on the road in utter disregard permit conditions, traffic regulations and provision of Motor Vehicle Act, 1988 and rules. Though, such practices, make the permit liable for cancellation in accordance with the provisions of the Motor Vehicle Act, 1988 and rules framed there under, it is very difficult to establish / detect such a violation for cancellation of the permit as the agreement between the permit holder and thekedar is an un-written, silent/sleeping agreement;

Whereas **in the matter of M.C. Mehta versus Union of India Civil Writ Petition No.13029/1985** Hon. Supreme Court of India vide order dated December 16, 1997 has directed that trading in permit – is a patent violation of the Motor Vehicle Act and the rules and would render the permit liable to cancellation apart from other legal consequences and also directed the authorities not to renew any permit which has been or is being used by any person other than the original grantee without the express prior permission of the grantor;

Whereas, to curb the aforesaid menace by the private stage-carriage operators, Supreme Court of India vide order dated November 20, 1997 in the matter of M.C. Mehta v/s Union of India & Ors (CWP 13029/85) had attached following permit conditions to the permit of stage-carriage buses and directed that any breach of the following conditions / directions by any person would, apart from entailing other legal consequences, be dealt with as contravention of conditions of the permit which could entail suspension / cancellation of the permit and impounding of vehicle:-

- Installation of speed control device.
- Transport vehicles are not permitted to overtake any four wheel motorized vehicle.
- Wherever it exists, buses shall be confined to the bus lane.
- Buses shall halt only at bus stops designated for the purpose and within the marked area.
- Every holder of a permit issued by any of the road transport authorities in the NCR and NCT Delhi will file with its RTA a list of the driver who is engaged by him together with suitable photographs and other particular to establish the identity of such persons. Every vehicle shall carry a suitable photograph of the authorized driver, duly certified by the RTA.

Whereas, Delhi High Court in the matter of Writ Petitions Crl. No.906/2000 (Court on its own motion), Crl. No.207/2004 and CWP No.16565/2006 had also taken cognizance of the menace of private stage carriage buses (Blue-line) and issued various directions to the authorities for implementation;

Whereas, a large number of prosecutions were made by enforcement agencies to curb the menace of private stage-carriage buses particularly the aforesaid violations;

Whereas, vide section 68 (3)(ca) of the Motor Vehicle Act, 1988 the State Government has power to formulate routes for plying stage-carriages and vide section 96 (2)(iv)(vii) to prescribe the forms of permit and fee to be paid in respect of application of permits respectively;

Whereas, Hon'ble Supreme Court of India **in the matter of M.C. Mehta versus Union of India Civil Writ Petition No.13029/1985** vide order dated September 22, 1998 directed the Government of National Capital Territory of Delhi for augmentation of public transport (stage carriage) to 10,000 buses by April 01, 2001;

Whereas, section 71(3)(d) mandates that preference for plying stage-carriage buses should be given to State Transport Undertaking, co-operative society, any other class or category of persons, as the State Government may, for reasons to be recorded in writing, consider necessary;

Whereas, one of the objects and reasons of the Motor Vehicle Act, 1988 [59 of 1988] and amended act [54 of 1994] is the simplification of procedure and policy liberalization for private sector operations in the road transport field;

Whereas Hon'ble Supreme Court of India **in the matter of M.C. Mehta versus Union of India Civil Writ Petition No.13029/1985** vide order dated November 20, 1997 has directed that "It is needless for us to add that the entire scope of this matter and particularly this aspect to which this order relates, namely, the control and regulation of traffic in NCR and NCT, Delhi, is a matter of paramount public safety and, therefore, is evidently within the ambit of Article 21 of the Constitution, That being so, the making of this order has become necessary and can no longer be delayed because of the obligation of this Court under Article 32 of the Constitution which is involved with the aid of Article 142 to give the necessary directions given today separately";

Whereas, the existing private bus operation have not been able to operate strictly in compliance with the stipulated permit conditions and Court orders made from time to time and there have been large scale violations in this regard by these buses and their performance has been highly unsatisfactory. Recent spate of accidents involving blue line buses in which many innocent people have lost their lives has invited considerable public concern and criticism over the manner this service is generally operating and it is widely believed that the existence of individual Private (Blue-line) Stage Carriages is a proven danger and threat to the life and limbs of the commuters and road users of the city;

Whereas, the Government of National Capital Territory of Delhi after very carefully examining the reasons for this and considering all the relevant factors, has come to the conclusion that the operation of the buses through individual permits is not congenial for maintaining an efficient, reliable and safe bus service;

And whereas, to provide safe, secure, efficient, reliable, better quality, compliant with provisions of Motor Vehicle Act, 1988 and directions of Court of Law and properly co-ordinated public transport system through efficient management, to the commuters and in the interest of road users of Delhi, Government of National Capital Territory of Delhi has decided to enlarge the scope of private sector in existing public transport system by augmenting the bus fleet with private sector participation through companies and co-operative societies including those formed by the existing/ prospective individual operators duly registered, and having capacity of operating at least 100 buses. In order to achieve the desired objective, Government of National Capital Territory of Delhi has directed the State Transport Authority, Government of National Capital Territory of Delhi to implement the following directions immediately and accordingly State Transport Authority, Govt. of NCT of Delhi has decided to implement these directions:-

- (i) Existing private stage carriage (Blue Line) buses operated by individual permit holders shall be phased out gradually in such a manner as to synchronize with the induction of the fleet of buses to be operated by companies and cooperative societies, etc;
- (ii) To introduce a scheme for augmenting the bus fleet with private sector participation through companies and cooperative societies and / or company including those formed by the existing / prospective individual operators (duly registered) having capacity to operate at least 100 buses;
- (iii) Not to renew the private stage carriage permits which have completed or completing 5 years validity and their applications for renewal shall be kept in abeyance and in lieu thereof temporary permits shall be issued under sub-sections (1)(d) & 2(i) of section 87 of the Motor Vehicle Act, 1988 which will be valid for four months from the date of issue. Further grant of temporary permits shall depend upon the requirement of buses at that time, taking into account the status of the new scheme for introduction of buses as aforesaid. The temporary permits shall be granted subject to payment of all fees and taxes as applicable including a composite fee (stand fee) @ 2,500/- per month per bus to DTC, adherence to permit conditions of Stage Carriages and on the same route & via where the vehicle was earlier operating;

- (iv) In supersession of Resolution No.55 of October 18, 2006 of STA, the 643 permits deposited for replacement of vehicles shall be cancelled with immediate effect as the permit holders have caused their permits to be without vehicles and have violated Section 86 (1) (c) of the Motor Vehicle Act, 1988 and discontinued the services and as such also violated Section 70 of the Motor Vehicle Act, 1988. The circumstances and the violations described above are so evident and conclusive that there is no valid ground for calling explanations from the permit holders;
- (v) Such cases where, prior to July 06, 2007, the permit holders have deposited the applications for renewal of permits along with dues as applicable as on that date for the remaining period of validity of 5 years, the permits shall be renewed for such remaining period only. Thereafter, temporary permits shall be issued which shall depend upon the requirement of buses at that time taking into account the status of the new scheme for induction of buses as aforesaid;
- (vi) In such cases where prior to July 06, 2007 the permit holders have deposited the permit fee/renewal fee (Rs.2,500/-), only temporary permits for 4 months shall be issued for the same routes and via on which the permit/buses were operating;
- (vii) In such cases where buses (vehicle) have completed/or are completing 10 years of operation on Stage Carriage before the expiry of 5 years of permit fee, another vehicles (buses) in lieu thereof, will be allowed to be inducted only for the remaining period of permits and therefore a condition to this effect shall be incorporated in the order / permission for replacement. It will read “ The permission of STA for replacement/induction of another bus on the stage carriage permit shall carry no guarantee for further renewal/ grant of this stage carriage permit after completion of 5 years of validity of permit.” Further an undertaking in this regard will also be obtained from concerned permit holder that “I undertake that I am inducting another vehicle on my Stage carriage permit No. _____ at my own business risk and responsibility and shall not claim the renewal/grant of fresh permit, after completion of 5 year’s validity of the said stage carriage permit, which is expiring on _____ ”;
- (viii) Private stage carriage permits (blue-line) which were expired on or before July 05, 2007 after completion of validity of five years and such permit holders had not deposited renewal fee and application before the said date, shall not be renewed. However, the cases of permits which expired on completion of 5 years of validity on or before July 05, 2007 and the concerned permit holders have deposited the permit renewal fee along with application on or before the said date, shall be considered only for grant of temporary permits for four months in lieu of their

earlier permits subject to payment of temporary permit fee, composite fee (Stand Fee to DTC) and taxes as applicable;

And, whereas, action to implement the directions have already been initiated by the State Transport Authority, Delhi;

Now, therefore, in view of the above, you are hereby informed to take a note of the aforesaid directions and act accordingly. You are further advised that in your own business interest you should consider formation of a cooperative society or company having capacity of operating at least 100 buses and avail benefit of the new scheme under introduction.

**SECRETARY
STATE TRANSPORT AUTHORITY**

To,

PERMIT CONDITIONS FOR STAGE CARRIAGE

1. The permits to be granted shall be subject to the conditions/provisions as laid down in the Motor Vehicles Act, 1988 & Rules made there under the conditions/directions laid down by the STA, Delhi from time to time.
2. The permits will be granted initially for a period of five years only and further renewal will be subject to the satisfactory performance of the permit holder as per conditions laid down, the desirability of scheme in the general public interest and any other condition prescribed by the STA, DELHI. However, the permit holder shall be authorized periodically for a period not exceeding 06 months so as to comply with the order of Hon'ble Supreme Court CWP No.13029 of 1985.
3. The vehicle shall be used only on the route specified in the permit or as changed from time to time by the STA in consideration of traffic pattern, commuter patterns or other factors considered relevant.
4. The operation of the permit shall commence from the date mentioned in the permit.
5. It shall be ensured that buses on permit are plied by authorized drivers holding heavy motor vehicle driving license for at least three years and PSV Badge issued in Delhi subject to the condition that no driver in DTC shall ply school buses unless driving license of driver is five years old.
6. Permit holder shall ensure that no driver is allowed to perform duty for more than eight hours in a day and second driver is engaged where buses ply more than eight hours.
7. Permit holder shall ensure that a conductor, having conductor license and P.S.V. Badge issued by the Transport Department, Delhi is employed on the bus plying under the stage carriage permit.
8. The permit holder shall ply the bus as per approved time-table and on the assigned route. It shall be ensured that the trip is plied within the time prescribed for a trip and the directions of time-keepers are strictly followed.
9. (a) The driver and the conductor shall be required to wear the uniform in grey colour with P.S.V. Badge prominently-displaced on it.

(b) The driver and conductor to be deployed shall bear high moral character and shall be courteous and polite to the commuters.

(c) No driver/conductor who has ever been suspended/dismissed by DTC or any Govt. Organization in his previous service shall be eligible to be deployed in the proposed buses.

(d) The driver/conductor to be deployed in the buses will be required to undergo the test and training as prescribed by STA, Delhi.

(e) Any driver/conductor shall not be appointed or changed without prior intimation to the Secretary, STA, Delhi.

10. The fare shall be charged from passenger at rates approved by the State Transport Authority, Delhi and tickets shall be issued to the passengers for the fare paid.

11. The fare table duly approved by the State Transport Authority shall be displayed prominently outside the vehicle near the entrance and inside the vehicle both near the entrance and exist in the specifications as prescribed by the State Transport Authority, Delhi.

12. Passengers shall not be carried in excess of the registered seating capacity of the bus subject to the maximum of 63/70 passengers at a time.

13. The concessional passes issued by DTC to disabled persons; freedom fighters, war-widows and their dependents shall be honored by private stage carriage permit holders.

14. The permit holder shall exercise such supervision as is necessary to ensure that the vehicle is operated in conformity with the Motor Vehicle Act/Rules with due regard for the comfort, convenience and safety of passengers carried and shall not use or cause or allow to use the vehicle in the commission of an offence under the Indian Penal Code or local or special laws or any statutory control order. The vehicle shall be kept neat and clean at all times during the operation.

15. Not more than 15 Kgs. of luggage and personal effects for each passenger shall be carried in any stage in the vehicle free of cost.

16. It shall be ensured that goods shall be of such a nature and shall be so packed and secured on the vehicle as no danger, inconvenience or discomfort is caused to the passengers.

17. Permit holder shall ensure that the bus stops to pick up and allow the passengers to get off at the authorized DTC bus stops and no passengers is allowed to board or to get down at a non-prescribed bus stop. The operators will have to pay service charges for using DTC bus stops and bus terminals as determined by STA in consultation with the DTC from time to time,

18. A complaint book with serial numbered pages, duly authenticated by the Permit holder, shall be kept with the conductor. The conductor shall provide the Complaint

Book to the passengers for recording the complaints. The permit holder shall ensure that desired action is taken on the complaints.

19. First Aid Box shall be provided in the vehicle.

20. The buses issued stage carriage permits shall not be utilized for any other purpose except with the prior approval of the State Transport Authority.

21. It shall be ensured that the vehicle to which permit relates shall be fitted with speed governors set for maximum speed of 40 Kms. per hour.

22. All statutory obligations under labour laws and any enactments for benefit or employees of the operator shall be scrupulously observed by the permit holder.

23. The permit holder of a permit shall furnish to the State Transport Authority such periodical returns, statistics and other information as the State Government/STA may from time to time prescribe.

24. The State Transport Authority may initiate action for suspension/cancellation of the permit/imposition of penalty for violation of any of the above conditions: misbehavior or assault by bus crew, decline in performance norms etc. and provisions of the Motor Vehicle Act and Rules framed there under.

25. The State Transport Authority, may after giving notice of not less than one month:-

- a) Vary the conditions of permit.
- b) Attach to the permit further conditions.

26. Routes once granted shall be subject to change later on.

27. That the crew (driver and conductor) wherever applicable shall assist and extend all possible help to disabled persons trying to board in and out of bus/vehicle.

28. In case driver or conductor fails to stop the bus/vehicle to allow a disabled person to board at the designated bus stop or fails/refuses to assist the disabled person(s) to board the bus/vehicle, it would be violative of the Persons with Disabilities (Equal Protection & Full Protection Right) Act, 1995 by attracting action under Section 62-A of the said act and would also be liable for action by the State Transport Authority for suspension/cancellation of the permit.

29. In case an incident of indecent behavior, molestation or eve-teasing etc. against any woman takes place in any transport vehicle which tantamount to outraging her modesty, it shall be the duty of the crew of the vehicle (i.e. driver and conductor as the case may be) to immediately take the vehicle to the nearest police station/police post/PCR van and hand over the culprit to the police.

30. All the transport vehicles will have to display the Help Line No. **42-400-400** of the Transport Department in an appropriate conspicuous size both in and outside the vehicles.

31. The permit holder of the stage carriages shall ensure and the conductor of the stage carriages shall issue tickets bearing vehicle number, route no. and the fares actually charged to the passengers.

32. If any Transport vehicle is involved in two fatal accidents in its life time, the permit of the same will be liable to be cancelled.

33. In case a heavy vehicle transits through Delhi or is being driven in Delhi, it will be driven by a person who has undergone training and refresher course prescribed by Transport Department of Government of National Capital Territory of Delhi and shall possess a certificate to that effect from the Driving Training Institute, Loni Road or any other Institute prescribed by the Transport Department.

34. The following directions contained in Para 'A (a)(b)(c)(d) & (f) of the order dated 20-11-1997 of Hon'ble Supreme Court of India in the matter of M.C. Mehta V/s UOI & Others - CWP 13029/85 are also permit conditions as directed by the Hon'ble Court in its order itself. These conditions are as under:-

- (a) No Heavy and medium transport vehicles and light goods vehicles being four wheelers would be permitted to operate on the roads of NCR and NCT, Delhi unless they are fitted with suitable speed control devices to ensure That they do not exceed the speed limit of 40 KMPH(Consequent upon the amendment of Rule 118 of Central Motor Vehicles Rule, 1989 the speed control device should confirmed to AIS : 018 Standard). This will not apply to transport vehicles operating on Inter-state permits and national goods permits. Such exempted vehicles would, however, be confined to such routes and such timings during day and night as the police/transport authorities may publish. It is made clear that no vehicle would be permitted on roads or during the times other than aforesaid time without a speed control device.
- (b) Transport vehicles are not permitted to overtake any other four wheel motorized vehicle.
- (c) Wherever it exists, buses, heavy goods vehicles, medium goods vehicles and four-wheels light goods vehicles plying during the permitted hours shall be confined to the bus lane.
- (d) Buses halt only at bus stops designated for the purpose and within the mark area.
- (e) No transport vehicle shall ply unless it carries a proper authorization card, containing the name, photograph and other such particulars of the driver, issued by the State Transport Authority authorizing such driver to drive the

vehicle. The authorization card shall be displayed in the vehicle at a conspicuous place.

35. The permit holder will follow all the general conditions attached to permit under Section 84 of Motor Vehicles Act, 1988 which are reproduced herein under:

- a) That the vehicle to which the permit relates carries valid certificate of fitness issued under section 56 and is at all times so maintained as to comply with the requirements of this Act and the rules made there under;
- b) That the vehicle to which the permit relates is not driven at a speed exceeding the speed permitted under this Act.
- c) That any prohibition or restriction imposed any fares or freight fixed by notification made under section 67 are observed in connection with the vehicle to which the permit relates;
- d) That the vehicle to which the permit relates is not driven in contravention of the provisions of section 5 or section 113;
- e) That the provisions of this Act limiting the hours of work of drivers are observed in connection with any vehicle or vehicles to which the permit relates;
- f) That the provisions of Chapter X, XI and XII so far as they apply to the holder of the permit are observed; and
- g) That the name and address of the operator shall be painted or otherwise firmly affixed to every vehicle to which the permit relates on the exterior of the body of that vehicle on both sides thereof in a colour or colours vividly contrasting to the colour of the vehicle centered as high as practicable below the window line in bold letters.

36. The registration number of the vehicle shall be engraved on High Pressure Regulator, Low Pressure Regulator (wherever separately provided), Solenoid Valve, Gas Air Mixer, Dust Caps and Catalytic Converter prior to the grant/renewal of certificate of fitness. The engraved registration number should be clearly readable, and in any case the alpha numeral should not be less than 5 mm in size.

37. The permit holder of the stage carriages shall ensure that his/her bus has two seats reserved for senior citizens on the conductor side towards front gate. The seats reserved so shall also be marked accordingly. The conductor of the stage carriages shall ensure the occupancy of these seats by Senior Citizen traveling in the bus.

38. The permit holders and drivers of the Compressed Natural Gas propelled stage and contract carriage permits, shall, in the event of any fire incident/fatal accident or overturning of vehicle under their control, submit an information in writing to the Secretary, State Transport Authority, Government of National Capital Territory of Delhi,

5/9, Under Hill Road, Delhi – 110054 within twenty four hours of occurrence of such incident/ accident, as the case may be;

39. The permit holders and drivers of the Compressed Natural Gas propelled stage and contract carriages (other than auto-rickshaw and taxi), shall ensure that the repair and maintenance work of Compressed Natural Gas System including engine shall be carried out preferably at authorized workshop of the respective manufacturer of the vehicles at regular intervals as per the recommendations of the manufacturer and, in any case, the details of the work carried out including the replacement of genuine parts, at the authorized service center shall be entered into a logbook to be maintained by the permit holder and shall be duly signed by the permit holder and duly attested by the service engineer of an authorized workshop of the manufacturer of the vehicle. The logbook should be maintained on a full scape register with hard board binding. Each page of the register shall be numbered and signed by the permit holder on the left top corner. Those CNG propelled Omni Buses, which do not have such logbooks, shall not be subjected to fitness at Inspection Unit (Burari) at all. At the time of grant and renewal of certificate of fitness, Chief Motor Vehicle Inspector (Burari) shall inspect and countersign the logbook after having been satisfied. For Delhi Transport Corporation vehicles the Assistant Engineer or the Foreman having technical qualification shall maintain the logbook in aforesaid manner. The driver of the motor vehicle, in any public place, shall on demand produce the said logbook for examination.

40. All CNG propelled stage and contract carriage omni bus (other than Delhi Transport Corporation) shall undergo quarterly CNG safety check as per the approved check list, at any authorized workshop of the respective manufacturer of the vehicle/converter and this quarterly check shall be recorded by the Service Engineer of the authorized workshop in the log book maintained in the bus. DTC buses shall undergo for quarterly CNG safety check at any of the centers of Delhi Transport Corporation approved by the authority and this quarterly check shall be recorded by the Assistant Foreman or Foreman of DTC in the log book. The log book shall be available in the bus and shall be produced by the driver on demand to a competent authority.

41. Except for the exemption specifically granted in the judgment in the matter of (Court on its own motion) W.P.C. No.16565/2006 & W.P. CrI. No.207/2004, the drivers of all the Omni Buses should have minimum qualification of 10+2 and the conductor should be at least 10th class pass.

42. All local buses shall be low floor buses (as on date interim stay has been granted by Hon'ble Supreme Court of India).

43. The buses on road shall not have any person of the permit holder other than a Driver and Conductor and no person including the conductor shall be on the stairs of a bus or hand outside the door of a bus.

44. The permit holder shall ensure that no person including the conductor shall stand on the stairs of the bus or hand outside the door of a bus.

45. No person shall be deployed on the bus for beating the sides of the buses with their hands or with any object and/or for whistling, to generate annoying loud noise and distract other drivers. The conductor and driver of the bus shall also not engage such activities.
46. The passengers shall not be carried in excess of the authorized seating/standing capacity.
47. The 'permit' along with the photograph, of the permit holder shall be carried with the bus at all times.
48. The buses will not have any other horn except an electric horn in accordance with the prescribed standard. In other words no vehicle shall be fitted with blow pressure horn, musical horn or use any such other devices producing shrill, loud or musical noise.
49. The driver and conductor of the buses shall wear uniform (Shirt and Trouser) in grey colour with PSV badge/conductor badge prominently displayed on the left side of the chest.
50. No driver shall perform duty for more than eight hours daily. There shall be at least two drivers for buses that ply for more than eight hours.
51. The permit holder and driver of private stage carriage buses shall ensure that the inscription "as per orders of Hon'ble Supreme Court of India the concessional passes issued by Delhi Transport Corporation to disabled persons, freedom fighters, war widows and their dependents are honored in this bus" in bold letters at least (one inch size) in Hindi shall be written on both the interior side panels and on the exterior panel of the bus near door on the conductor seat side.
52. There should be a provision for an Electric Bell at the command of the Conductor so that the only after the Conductor has rang the bell in a distinct manner the bus should either halt or move.
53. In case any tampering with the speed governors (speed controlling device) is found in a transport vehicle, or such a vehicle is being driven at a speed of more than 40 KMPH, the permit of such vehicle shall be cancelled. It will be prima-facie presumed that such a transgression is a violation of the Hon'ble Supreme Court's order dated November 20, 1997 (in the matter of M.C. Mehta versus Union of India & Ors., CWP No.13029/1985) and contempt proceedings shall be initiated/ brought by the concerned Enforcement agency, before Hon'ble Delhi High Court.
54. No figure(s) or icon(s) or symbol(s) or religious slogan(s) or religious symbol(s) or any writing, other than the inscriptions mandated by the existing provisions of the Motor Vehicles Act, 1988, Central Motor Vehicles Rules, 1989, Delhi Motor Vehicles Rules, 1993 and permit conditions, shall be exhibited on any stage carriage buses.
