04.	"In-Use" Vehicle Model	Honda Activa/Variants	
05.	Type / Category	Motorcycle (L2)	
06.	GVW kg.	255	
07.	Seating Capacity (including Driver)	2 Persons	
08.	Year of Manufacture	July 2004	
09.	Motor	Model / Type	482022010067
		Max. Power	2.3 kW @ 50 kmph
		Max. 30 Minutes Power	1.0 kW @ 40 kmph
10.	Manufacturer	M/s GoGo A1 Motors Pvt. Ltd.	

The Technical specifications (No.SK12000) of the in-use vehicle model and electric propulsion kit, as declared by the Kit Manufacturer/Installer, are enclosed with this certificate.

The Testing Agency also certified that the above in-use vehicle model, retrofitted with Electric Propulsion Kit, comply with the provisions of the Central Motor Vehicle Rules, 1989, as amended up to date, including following requirements, (as detailed at ANNEXURE-I).

Applicable Standards	Notification No.	Date	Effective From	CMV Rule
The conversion of vehicles for pure electric operation with fitment of electric kit	GSR 167 (E)	01.03.2019	01.03.2019	115D (3)
Safety Standards Brakes/ Passby Noise Level/Grade ability Traction Motor / EMC /Constructional and Functional Safety /Rechargeable Energy Storage System (REESS)/Wiring Harness/Cables/Connectors and other safety components				Ref. ANNEXURE-I

The testing agency had certified that this certificate is issued as per CMV Rule, 126, to establish compliance with the Central Motor Vehicles Rules, 1989, and shall not be construed as a certificate of compliance to any rules other than those listed in **ANNEXURE-I**. Compliance to these rules has been verified based on the use of specific components/parts/assemblies etc based on which type approval is given. It is the Electric Kit Manufacturer / Supplier and Kit Installer's responsibility to ensure fitment of same components/parts/assemblies etc before submission of the vehicle for registration.

The testing agency had certified that this Certificate is issued for the above In-Use vehicle model, subject to the following conditions:

1. The above "In-Use" vehicle model "**Honda Activa/Variants**" (**July 2004 make**), meets the requirements of GSR 629 (E) dated 24.06.2016. This pure electric system

[Signature]
08/01/24

is permitted to be fitted on the in-use "Honda Activa/Variants" vehicles, manufactured/registered on and after 1st January 2004.

2. **This certificate is valid for the period of 3 years from the date of its issue** or until further amendment in CMV Rules, whichever is earlier or as per any specific directions from Ministry.
3. Any Change in the retrofitment system Specifications or Layout, will call for recertification.
4. The onus of verification of fitness / proper functioning of retrofitment system, on each and every vehicle, under this Certificate will be the responsibility of **M/s GoGo A1 Motors Pvt. Ltd.**

Kit Manufacture/Supplier/Distributor and Kit installer is/are directed to ensure the strict compliance of Central Motor Vehicle Rules, 1989. The retro-fitment should be carried out by the authorized workshops only. Further, approval is accorded subject to ensuring fitment of same components, parts/assemblies etc, details of which are given in the details specification duly endorsed by the **M/s ARAI, Pune** at the time of submission of vehicle for inspection/endorsement of Electric Kit in registration certificate.

The Kit Manufacturer/Installer must comply with Technical Specification of Electric Propulsion/conversion kit annexed to the **TAC No. AARB 0375 dated 1st December, 2022.**

All DTO's/Registering Authority shall, at the time of endorsement of Electric fuel in registration certificate, verify all the component of Electric retro-fitment kit system endorsed by **M/s ARAI, Pune**. Further, it should also be ensured that the fitment of kit must be in accordance with the Type Approval Certificate issued by the testing agency and validity given in the type approval certificate, subject to fulfillment of provisions of Motor Vehicle Act, 1988 and rules made thereunder and department instruction/order issued from time to time in this regard.

Encl : As above.
