GOVT. OF NATIONAL CAPITAL TERRITORY OF DELHI
TRANSPORT DEPARTMENT
(OPERATION BRANCH)
5/9 Underhill Road DELHI 110054

F.NO. DC/OPS/TPT/2024/12/CD-0757793491*51546*

Dated:18th September 2024

The Commissioner,

Trade and Taxes Department,

Government of National Capital Territory of Delhi,

Subject: Request for API Access to GSTN for e-KYC in Vehicle Registration for Corporates

Dear Madam,

The Transport Department of GNCTD is in the process of enhancing its vehicle registration process, for corporate entities, to make the faceless process more streamlined and efficient. A key component of this enhancement is the integration of e-KYC (electronic Know Your Customer) processes to verify corporate identities seamlessly.

In this context, we request your department to grant us access to the GSTN (Goods and Services Tax Network) API. Access to this API will allow us to verify the GST identity of corporate applicants in real-time, thereby facilitating a more efficient and accurate e-KYC process during vehicle registration.

We also request the National Informatics Centre (NIC) to utilize this access to integrate the GSTN API within the VAHAN registration module. This integration will enable us to leverage GSTN data for
verifying the identity and credentials of corporate applicants, ensuring compliance and reducing the potential for fraud.

We look forward to your positive response and are available for any discussions or meetings to further elaborate on this request.

Special Commissioner (Operation), Transport
