4	Name & Address of the manufacturer	M/s Jaguar Land Rover Limited, Abbey Road Whitley Coventry CV3 4LF United Kingdom			
5	Name & Address of Assembly plant (s)	M/s Jaguar Land Rover Limited, Lode Lane Solihull West Midlands B92 8NW United Kingdom.			
6	Make (Trade Name of the manufacturer)	Land Rover			
7	Commercial Name (s)	Range Rover			
8	Category of vehicle	M1G			
9	Emission Standard	BS-VI			
10	Type of vehicle	LG			
11	Power & Fuel	Petrol			
12	Engine Power	294.0			
13	Seating Capacity	05 (inclusive Driver)			
14	Dimensions in mm				
	Wheel Base	GVW in Kg	O/Width	O/ Length	O/Height
	3122	3170	1983 mm	5000-5057 mm	1836-1874 mm
Due to non compliance of GSR 290 (E) dated 15/04/2015/424(E) dated 01/05/2017 regarding Speed Governor, registration approval is accorded under 'Private/Non-Transport' Category.					

The above imported Passenger Car manufactured by **M/s Jaguar Land Rover Limited**, is tested by a designated testing agency declared by Government of India, Ministry of Commerce & Industry, Deptt. of Commerce, DGFT at Serial No. 5/A, E-5 of policy circular No. 12 (RE-2013)/2009-2014 dated 15.01.2014 read with Circular dated 09/02/2004 vide Type approval Certificate No. **e5*2007/46*1053*04** dated 03/08/2020.

As per provisions of Rule 126 of Central Motor Vehicle Rules, 1989, prototype approval of every Motor Vehicle is to be tested by designated testing agencies. However, the registration of imported vehicle models as mentioned above are covered under the provisions of Import license note to chapter 87 of ITC (HS) Classification Para 7 issued by DGFT. These are further amended vide notification No. 56 (E) (RE-2008)/2004-09 dated 07th November, 2008 issued by the Ministry of Commerce & Industries, as under "Import of new vehicles having an FOB value of US \$ 40,000 or more and engine capacity of more than 3000 cc for petrol run vehicles and more than 2500 cc for diesel run vehicles by (a) Individuals, (b) companies and firms or (c) OEMs (Original Equipment Manufacturers who are manufacturing and services network in India) will exempt from the conditions at Sr. No. (2)(ii) (c) above. However, at the time of Customs clearance, a type approval certificate / Cop of an internal accredited agency from the country of origin or an EC Type Approval Certificate/Certificate of Cop of an accredited agency from any member state of EU, including a notarized English translation thereof, shall be furnished. This type approval shall stipulate that the vehicles to be imported comply with all the ECE Regulation for the complete vehicle. The accredited agencies have been notified vide policy Circular No. 26 dated 09.02.2001 (later updated vide circular dated 15.01.2014.)

The circular No. RT-11036/59/2000 AVL (Pt) dated 17.06.2008 received from Government of India, Ministry of Shipping, Road Transport and Highways says that the provisions made under Rule 126 Central Motor Vehicle Rules, 1989, regarding homologation of imported holds goods in respect of all the vehicles except the categories exempted by DGFT. In all such cases the vehicles would need to be registered on the strength of a type approval certificate of an international accredited agency (notified by DGFT).

Contd....page no.2.....

The approval is accorded subject to the responsibility of the manufacturer / importer does ensuring fulfilment of all the terms & conditions as per para 7 of chapter 87 DGFT for homologation of imported vehicles and fitment of same components . Parts / Assemblies etc. Which were produced before international accredited testing agencies at the time of submission of vehicle is delivered fully built by them and no element of local building is involved.

In view of above , all MLOs are hereby directed to accept the Model "**Range Rover**" manufactured by **M/s Jaguar Land Rover Limited**, Abbey Road Whitley Coventry CV3 4LF United Kingdom under Non Transport category subject to compliance of the provisions of Motor Vehicles Act, 1988 and rules made thereunder , directions of Hon'ble Court /Tribunal and guidelines issued by the department from time to time , subject to production of vehicle for registration by the manufacturer / authorized dealer on following conditions:-

The authorized importer should enclose a certificate of origin and / or sales invoice issued by the original manufacturer in his name along with the Bill of Entry . These documents to be submitted at the time of registration to the registration authority.

1. Form No. 21 i.e. Sale Certificate and Local Sales Invoice should be issued by the authorized importer or dealer authorized by the importer having valid Trade Certificate.
2. The provisions in Rule 47 (h) of Central Motor Vehicle Rules, 1989 shall comply with .
3. This endorsement approval subject to fulfilment of provisions of Motor Vehicle Act and rules made there under, directions of Hon'ble Court /Tribunals, Ministry of Road Transport & Highways, Govt of India and department's instructions / order issued from time to time in this regard.

भारत सरकार

Government of India

सड़क परिवहन और राजमार्ग मंत्रालय

Ministry of Road Transport and Highways

Transport Bhawan, 1 Parliament Street, New Delhi-110001.

Dated the 1st of May, 2019

To,

The Principal Secretaries/The Secretaries, Department of Transport
The Transport Commissioners
of all the States/UT Administrations.

Subject: Standard Operating Procedure for the process of registration of vehicles imported by the Vehicle Manufacturers or through their authorized representatives in India

Sir/Madam,

The Ministry of Road Transport and Highways through an amendment in the Central Motor Vehicles Rules, 1989 (CMVR) made through GSR 870(E) dated 13th September, 2018 (Copy enclosed) has provisioned for the import of certain limited number of vehicles under various categories by the vehicle manufacturer directly or through their authorized representative for the purpose of further sale or research or by the organization / citizen for personal use, demonstration, testing, research or scientific use.

2. With the Ministry's online registration of vehicles system provided through NIC viz. VAHAN system in operation in the States; the process of registration of vehicles is being carried through an IT based system. The system is linked with the homologation system being provided by the Ministry through NIC, wherein the domestic vehicle manufacturer provides the details of each vehicle sold in the country and those details are used by the dealers selling the vehicles to the citizens. Further, the Registering Authorities also uses the same details for completing the process of Registration of Vehicles. The system is secured, with only the authenticated users having access to the system for updating.

3. With the requirement to facilitate the Vehicle Manufacturers / Importers or organisations / citizens to have the vehicles so imported as per the above said notification, be registered and further that the details of the vehicles are captured properly, a facility is being provided through VAHAN.

4. The Standard Operating Procedure for the process is hereby attached to be followed for the process of registration for such vehicles imported as per GSR 870 (E) dated 13th Sep 2018 by the Vehicle Manufacturers or through their authorized representatives in India or by the organization / citizen for personal use, demonstration, testing, research or scientific use.

5. It is also requested that the registering authorities in the State be directed to ensure that the information on customs duty payment and clearance from Directorate General of Foreign Trade (DGFT) must be checked before permitting registration.

Yours faithfully,

(Dharkat R. Luikang)

Under Secretary to the Govt. of India

MINISTRY OF ROAD TRANSPORT AND HIGHWAYS

NOTIFICATION

New Delhi, the 13th September, 2018.

G.S.R. 670(E).— Whereas, the draft rules further to amend the Central Motor Vehicle Rules, 1989 were published, as required under sub-section (1) of section 212 of the Motor Vehicles Act, 1988 (59 of 1988), vide notification of the Government of India in the Ministry of Road Transport and Highways vide number G.S.R. 528(E), dated the 6th June, 2018, in the Gazette of India, Part II, Section (3), Sub-section (1), inviting objections and suggestions from all persons affected thereby before the expiry of the period of thirty days from the date of which copies containing the said notification were made available to the public.

2018 And whereas, copies of the said Gazette notification were made available to the public on the 5th June,

and whereas, the objections and suggestions received from the public in respect of the said draft rules have been considered by the Central Government;

Now, therefore, in exercise of the powers conferred by section 110 of the Motor Vehicles Act, 1988 (39 of 1988), the Central Government hereby makes the following rules further to amend the Central Motor Vehicles Rules, 1989, namely:

1. Short title and commencement: These rules may be called as the Central Motor Vehicles (Seventh Amendment) Rules, 2018.

(2) These rules shall come into force on the date of their final publication in the Official Gazette.

2. In the Central Motor Vehicles Rules, 1989 (herein after referred as the said rules), in rule 24, for sub-rule (3), the following sub-rule shall be substituted, namely:—

"Whenever a part, component, or assembly is compliant with the international standard namely, EEC or BCE or Japanese, in lieu of the standard notified in the rules, the compliance of such part, component or assembly shall be deemed to be established for the purpose of rules 124 and 126, by a certificate of compliance for the relevant standard issued by an authorized agency or accredited certifying agency."

3. In the said rules, in rule 126, for the second proviso, the following shall be substituted, namely:—

"Provided further that in respect of vehicle manufacturer, importing into India unused completely built units (CBU) or completely knocked-down units (CKD) of right-hand steering control vehicles, directly or through their authorized representative, up to 2500 units of M1 or L category of vehicles, as the case may be, and up to 500 units of other categories of vehicles annually, compliant with the international standard, namely EEC or BCE or Japanese, the compliance of such vehicles shall be deemed to be established for sale and registration under rule 47, by a certificate of compliance for the relevant standard issued by an authorized agency or accredited certifying agency."

Provided also that in respect of unused right-hand steering control vehicles compliant with the international standard namely, EEC or BCE or Japanese, imported into India as completely built units (CBU), for the purpose of personal use, demonstration, testing, research or scientific work, the compliance of such vehicles shall be deemed to be established for registration under rule 47, by a certificate of compliance for the relevant standard issued by an authorized agency or accredited certifying agency."

Provided also that the construction equipment vehicles (CEV) may have steering control on either of the side:

Provided also that the administrative procedure to deal with corrigendum, amendments or additions to Automotive Industry Standards (AIS), Type Approval Procedures 113/116, Indian Standards (IS) and International Organisation for Standardisation (ISO) standards, which are notified under the Central Motor Vehicles Rules, 1989 shall be in accordance with AIS-000: 2013."

[F. No RT-11036/2018-2019 (VI)]

ABHAY DAMEL, Secretary.

Notes: The principal rules were published in the Gazette of India, Extraordinary, Part-II, Section 3, Sub-section (1), vide notification number G.S.R. 390(B), dated the 2nd June, 1989 and lastly amended vide notification number G.S.R. 749(B) dated the 7th August, 2018.

SOP for the process of registration of imported vehicles

Standard Operating Procedure (SOP) for the process of registration of vehicles imported by the vehicle manufacturers or through their authorised representatives in India or by the organisation / citizen for personal use, demonstration, testing, research or scientific use etc.

Introduction

The Ministry of Road Transport and Highways through an amendment in the Central Motor Vehicles Rules, 1989 (CMVR) made through GSR 870 (E) dated 13th Sep 2016 has provisioned for the import of certain limited number of vehicles under various categories by the vehicle Manufacturer directly or through their authorised representative for the purpose of further sale or research, or by the organisation / citizen for personal use, demonstration, testing, research or scientific use.

With the Ministry's online registration of vehicles system provided through NIC viz. VAHAN system in operation in the States, the process of registration of vehicles is being carried through an online process. The system is linked with the homologation system being provided by the Ministry through NIC, wherein the domestic vehicle manufacturer provides the details of each vehicle sold in the country and the detail is used by the dealers selling the vehicles to the citizens. Further, the Registering Authorities also uses the same details for completing the process of Registration of Vehicles. The system is secured, with only the authorised users having access to the system for updating.

Purpose and Scope

The homologation portal under VAHAN helps in maintaining transparency, genuineness and standards in a motor vehicle.

There is now a requirement for providing facilitation to the vehicle Manufacturers / Importers or organisations / citizens to have the vehicles imported be registered through VAHAN and further that the details of the vehicles are entered properly in VAHAN.

Key Objectives

- To facilitate the process of registration of vehicles so imported.
- To ensure that the correctness of details entered in the VAHAN database.

Government of India
Ministry of Road Transport and Highways
Transport Bhawan, New Delhi 110001

SOP for the process of registration of Imported Vehicles

- Maintain common standard across the country amongst various stake holders.
- Ensure that only the authenticated importer is able to have the vehicles registered in India.
- Ensure that only the limited number of vehicles allowed to be imported under the rules or the policy under the category allowed are registered.

Standard Operating Procedure

The following would be the Standard Operating Procedure with the roles and responsibilities for the process:

Stages	Manufacturer / representatives / citizens	MORTH / CIRT	NIC
Stage 1 (Homologation portal for Imported Vehicles)	The Vehicles are Imported and registered through CMVR, 1989 as per GSR-870(E), dated 13 th Sept 2018.	MORTH Provisions of CMVR, 1989 are complied with.	Provide technical support to stake holders by developing the software and providing support for the homologation module for facilitating the registration of Imported Vehicles.
Stage 2 (Login Credential)	The company / firm wishing to import or already imported has to apply in the prescribed proforma as attached for obtaining a login credential for homologation to the Director, Central Institute of Road Transport (CIRT). This would be done online uploading all relevant documents or providing a	CIRT will examine the applications with relevant documents and send an approval, digitally signed, to NIC	NIC will provide login credentials to the respective manufacturer
